BLACK ANGEL

PHOTOGRAPHY BY STEVEN ANDRES

BLACK ANGEL

Instagram: @blackangel2487

When did you start fetish modeling and under what circumstances?
I had my first fetish shoot two years ago. It was in such a wonderful setting, and it was so much fun.

How did you feel the first time you took your clothes off for the camera?
Growing up, I was always very shy, and I still was shy when I first posed nude. Clearly, I have become less timid about being naked in front of the camera since then. ;)

How did you become aware of fetishism?
I first discovered fetishism from people I worked with. It has been a major learning experience and a very fun ride as I've discovered more about it since then.

What fetishes do you like personally?
I don't have a specific favorite fetish; I find beauty in many things in this world.

Do you ever wear fetish clothes in public? What are your favorite items?
I don't show off my kinky side in public. In terms of my favorite fetish items, I like whips and anything that vibrates.

Are you dominant, submissive or a switch?
I can be both dominant or submissive, depending on the situation; so I guess I'm a switch.

Have your sexual boundaries changed over time?
Absolutely, yes—they have broadened.

Is there anything kinky that you would like to try that you have not done yet?
Sometimes I feel like I've tried everything that I want to, but then I think about it for a bit, and I come up with something new every time.

What are your hard limits?
I think it really depends on the situation, but overall I think that my limits are pretty average.

What is the most requested thing you are asked to do by your fans/followers?
Sex, haha. Well, sex videos.

Do you like foot and leg fetishism, attention to your feet?
Yes, I really enjoy that. I think the most beautiful things on my body are my legs and feet, so it's good to work with TABOO.

What kind of porn do you prefer? What do you search for on the internet?
Plain boy/girl porn is my favorite, but I also enjoy boy/girl/girl, boy/boy/girl and girl/girl/girl.

Why did you want to shoot for TABOO Magazine?
I have a great appreciation for the beautiful photography featured in TABOO, and I love the idea of seeing myself included in your pages.

What was your favorite part of shooting for TABOO?
I can't single out a specific thing, because it was all great!

VERUCA
Tail Training
PHOTOGRAPHY BY DAVE NAZ

At attention in her collar, leather straps and cincher, Veruca can't conceal anything, including her apprehension. Tonight will be all about her ass. Until she surrenders it completely she's nobody's slave. She bends double so the straps can secure her in the proper position. Working from the outside in, Master applies a variety of instruments to Veruca's creamy backside, starting with a hand of iron. The sharp stroke of the cane is far worse, and the perforated paddle spreads the burning sensation inward to her holes, which are shamefully wet. Veruca is a pain slut and wouldn't try to deny it.

After a proper warm-up, Veruca's on her back for the most important part of her training. It's easier to take the thick dildo up her tailpipe with something in her pussy for distraction, but she's denied that comfort soon as he dilates her puckered sphincters ever wider and deeper with probes of increasing size. Swats with the paddle make the muscles clench involuntarily, only to be stretched again. She feels deliciously dirty and degraded at her inability to keep herself from coming at this brutal intrusion that goes on and on. Only when she gapes so wide he can slide into her easily is she allowed the privilege of having her Master's seed spilled into her ass-guts. He must be pleased because the spasms go on and on. She'll need a thorough flushing after this under his close supervision, but she has no modesty left. Her ass is entirely his at last.

Instagram & OnlyFans: @knifegrlfriend

When did you start fetish modeling?
I did my first ever fetish shoot with Ellen Stagg.

How did you feel the first time you took your clothes off for the camera?
I felt awesome! I was a stripper beforehand. I love being naked—more of the world has seen me naked than not—and I'm only gonna be hot for so long!

How did you become aware of fetishism?
My ex was really into feet, and it was so much fun exploring things that you "shouldn't be into" or that are "weird."

What fetishes do you like personally? What do you fetishize in your life?
I like feet. I squirt a lot, and I just love how it turns other people on. I love when someone I'm really into spits in my mouth, and I have a praise kink.

Do you wear fetish clothes in public? What are your favorite items?
I like a good harness or choker. I think they are so sexy.

Have you ever scened in public?
Yes, I've had sex on a boat with other boats passing by and in the ATM area of a bank.

Are you dominant, submissive or a switch?
Submissive for sure!

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
Yes, I used to not be into spitting, slapping or choking, but now I like it if it's with someone I trust and am really into.

Is there anything kinky that you would like to try that you have not done yet?
I would love to be tied up! I've never tried that.

Do you like rough sex?
Yes and no. It has to be with someone I trust—and with great aftercare. I only like it rough if I'm being told that I'm doing a good job and if they talk me through it!

What about pissing or golden showers? Has anyone pissed on you? Or you on them?
I've never done that, but I'm a skateboarder, and we used to do this challenge every year, kind of similar to King of the Road, which is a skate competition put on by Thrasher, but like in my hometown. And I've drunk my own piss for that competition before. The general consensus was that girl pee was less gross, haha.

How do you feel about anal sex?
I've never done it, but stay tuned!

What are your hard limits?
I don't like to be degraded. I'm only having fun if I'm being praised for how well I'm taking it or how weird I'm being.

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?
I get a lot of guys who want JOI [jerk-off instruction] videos. My followers and I must be into the same things, because they like to be talked through their sexy time too. :)

Do you get requests for pantyhose? Stockings, shoes, etc.?
Oh, yeah! I've sold so many pairs of panties, pantyhose…and Polaroids. When I was a stripper, I had a regular who would come in and buy all of my worn left shoes! I would always have to go get more, but he paid well, so I didn't mind.

Do you like foot and leg fetishism, attention to your feet?
Love it. I only got into it because my ex and I accidentally discovered we were into it together. It was awesome. My foot just slid up his leg, and he pulled it onto his groin, and I was just so turned on by how turned on he was.

What kind of porn do you prefer? What do you search for on the internet?
I like women on women, or guys like Owen Gray and Small Hands, who talk the women through their experience.

Are you in a fetish lifestyle partnership? Would you like to be?
I'm not, but I'm open to it!

What was your favorite part of shooting for TABOO?
I loved learning about all of the fetish pieces and equipment. So fun and so sexy. And Ellen Stagg is the best; she made the whole experience amazing and fun!

BROOKLYN

Fire in the Irons

PHOTOGRAPHY BY DAVE NAZ

The hearth could never produce the heat Brooklyn feels when she's stripped bare and slapped in rigid irons. Just knowing she can't close her legs or touch herself brings her to a boil. Offered brief freedom for her hands to prepare her ass for use, she begs to please, stretching her ass muscles first with the glass rod, then with the steel probe. She wants cock in her gash, but she'll take it in her ass, especially after an agonizing interval of having her tits tortured with nipple clamps and tiny, biting steel clips biting into the surrounding flesh. Back in the rigid bars again, she eagerly turns to spread her ass cheeks for easy penetration.

Of course, before Brooklyn rates a proper buggering, her plumbing needs a good flushing out with a big bag of cold milk. Her insides clench with stabbing cramps, but she must hold the liquid in until allowed to expel. When she finally does, backward on the toilet under his watchful eye, she's too relieved to be ashamed.

And because she's been a good girl and is now properly cleansed in every way, Brooklyn will get it in all holes, starting in the front, moving to the rear and finally swallowing the products of her labors with an eager mouth. Legs wide open in anticipation, she spreads her swollen front hole and licks her glossy lips.

Irons become Brooklyn, and if she had her way, she'd never wear anything else.

MECHASHIVA & KARLA

Shoes Her Weapon

PHOTOGRAPHY BY JOHN DONEGAN

I like my heels spit-shined properly. Little Miss Karla knows this well enough, but a tug or two on the nipple chain can be a useful reminder. A heel-jab between the tits or a light kick to the cunt also help focus her attention. And I can always throw her over the couch, lift her skirt and paint her backside with the crop. I'd take her complaints more seriously if my acrylic probe didn't come out of her pussy all wet and sticky when I make her hold up her skirt.

Still, I do love a pretty, suffering bitch, and Karla suffers so prettily, I think she deserves an orgasm, ready or not. I can always get one out of her, even if she's hating me at the moment. It's part of our game. She's embarrassed about how much she likes having anything up her ass, so of course I give her the weighted butt plug on a long chain before applying the wand vibe to her bits. I tug on the chain to give her that dirty feeling of having her sphincters held open while I grind the vibrator against her rocking pelvic bones. Karla comes in racking spasms, forgetting to ask permission. Dear me, she'll have to lick her butt plug clean for that. And when she's done, I have a whole closet full of shoes that need her attention. Eventually, I might even let her lick me. I have many demands for Karla to satisfy. We both know what her tongue was made for.
